Vision:

Sarvatra Vidya Vardhate Praja – Expansive education leads to enrichment of the people

Mission

Educational improvement is a stepping-stone to economic and social development, and the handiest instrument for empowering the tribals. Our mission is to reach out to the students of hilly tribal region and uplift them by giving new directions, heights and ambitions through education.

Objectives:

- To impart quality and value based education to the students.
- To increase the gross enrollment ratio of higher education.
- To create health awareness through education.
- To empower girl students through education to become morally, socially and economically independent.
- To promote national integrity, equality and social justice among the students.
- To confiscate language barrier from the tribal students.
- To conserve customs and traditions of this tribal community.
- To bring the tribal community into the main flow of society.
- To empower tribal community in agriculture field through education.
